

**REQUEST FOR PROPOSALS
FOR
INFORMATION TECHNOLOGY SUPPORT SERVICES**

The Utilities Regulation and Competition Authority (URCA), wishes to engage the services of a suitably qualified firm or individual to provide Information Technology (IT) support services.

The Request for Proposals (RFP) which is available on URCA's website (www.urbahamas.bs) defines the proposed scope, requirements and deliverables of the IT Service along with the service requirements that are requested. Proposals should be submitted to the address below by 5:00 p.m. on 22 February 2013.

Chief Executive Officer
Utilities Regulation and Competition Authority
